By the Power of the Blood--2

By His grace, I have the strength to stand.
Though the enemy comes like a flood.

Strength and faith renewed, I throw against going.

I can overcome daily by the Blood of Calvary's Lamb.

Chorus:

Through the Cross, I live each day in victory.

Through the Blood, I need not be dismayed.

I can face the

storms I may encounter: The price for my deliverance all

ready has been paid. When Jesus, from the Cross, said, "It is

finished," Provision for my future was secured

And, whatever may come, I will keep marching on,

Overcoming daily by the power of the Blood.
