1. Peo - ple get their eyes on men and cir - cum - stanc - es  
2. There are man - y things that strive for our at - ten - tion:

**Em** **A7** **D**

And think there can - not be a God a - bove;  
We must de - cide which in - t'rest we'll pur - sue;

**A7** **D** **D7** **G**

But, when I looked at Je - sus Christ on Cal - v'ry,

**D** **A7** **D**

I saw He is the Lord and He's a God of love.  
He's all I need, so it's the best thing I can do.

**Chorus**

When I look at Cal - va - ry, I can - not help but see

Je - sus lived and died and rose a - gain to set us free.

To that cross of pain and shame He car - ried our sin and blame:

I can - not re - ject His Name when I look at Cal - va - ry.
